PERFORMANCE OPPORTUNITY

**The Silent Auction committee is looking for musicians to perform on the evening of the Silent Auction. If you are interested in signing up, please call Karlene Anderson at: 630-254-3246. Solos, duets, trios...any combo is welcome! (there's a sign up sheet on the table, too).**

**The International Delta Kappa Gamma Educators Assoc. has requested a performance by MCYO at their convention on the 22<sup>nd</sup> of July at the Hyatt near O'Hare airport. We are hoping to have full participation from our members. It will be an evening concert and we will have motor coach transportation to and from the concert. The concert will be for 30 minutes only. We are asking for your commitment now. Please take one of the forms and return to me as soon as possible.**

Order forms for CD's from the upcoming Pops Concert are on the table next to the sign in sheet.

Forms with payment are due back by: 25 February 2008

**Tickets for the February Pops concert will be available at the Raue starting next Thursday, the 24<sup>th</sup> of January. Be sure to get your tickets early! We are expecting a large crowd due to our featured soloist, Rohan Krishnamurthy, a South Indian percussionist.**

**MCMC SILENT AUCTION INFORMATION:  
12 APRIL 2008 6:00-9:00 PM**

If you have a time share or a boat or some other special gift you would like to donate for our Silent Auction, please fill out one of the auction donation forms on the table next to the attendance form and return to Cathy Ames. Thanks!

**Symphony Day at the Raue – 15 April 2008**

This special concert will probably require you to miss an entire day of school. Since this is considered a community service event, your absence should be excused. I have a letter to confirm this information, that you may bring to the attendance office at your school if necessary (not every school requires a letter). If you are unable to participate, you will need to let me know NOW and the reasons. This is a great opportunity to introduce classical music to a new generation of possible performers and/or audience members!

Set-up & Tear-down is now up to the musicians with parental guidance. Please make sure that your child takes his/her own chair out (IMZ) and puts their chair away (SYM) and cleans up the rehearsal room (Sage Gallery).
