PERFORMANCE OPPORTUNITY

The Silent Auction committee is looking for musicians to perform on the evening of the Silent Auction. If you are interested in signing up, please call Karlene Anderson at: 630-254-3246. Solos, duets, trios...any combo is welcome! (there's a sign up sheet on the table, too).

If you are interested in helping with the Silent Auction in any way, there is a sign up sheet next to the attendance folder on the table. Also available are solicitation letters/forms for auction items.

The International Delta Kappa Gamma Educators Assoc. has requested a performance by MCYO at their convention on the 22nd of July at the Hyatt near O'Hare airport. We are hoping to have full participation from our members. It will be an evening concert and we will have motor coach transportation to and from the concert. The concert will be for 30 minutes only. We are asking for your commitment now. Please take one of the forms and return to me as soon as possible.

IMPORTANT INFORMATION

Please remember to bring your own music stand to rehearsal each week, we only have a few extra for those who forget theirs.

Tickets for the February Pops concert will be available at the Raue starting next Thursday, the 24th of January. Be sure to get your tickets early! We are expecting a large crowd due to our featured soloist, Rohan Krishnamurthy, a South Indian percussionist.

There is still an opportunity to place an ad in the remaining 2 concert Program Guides. If you would like to place an ad with a message for your musician or know a business owner who would like to advertise with us, please take one of the Ad folders. The rate is now reduced because only 2 concerts remain. Everyone who places an ad in our Guide will receive vouchers good for 5 free seats to our next TWO concerts at the Raue!

Symphony Day at the Raue – 15 April 2008

This special concert will probably require you to miss an entire day of school. Since this is considered a community service event, your absence should be excused. I have a letter to confirm this information, that you may bring to the attendance office at your school if necessary (not every school requires a letter). If you are unable to participate, you will need to let me know NOW and the reasons. This is a great opportunity to introduce classical music to a new generation of possible performers and/or audience members!

Set-up & Tear-down is now up to the musicians with parental guidance. Please make sure that your child takes his/her own chair out (IMZ) and puts their chair away (SYM) and cleans up the rehearsal room (Sage Gallery).
